

Name _____

Date _____

Landforms and Bodies of Water

Part 1

Circle the letter of the correct name for the definition:

1. A large body of salt water

- a. pond
- b. river
- c. ocean

2. A body of water nearly surrounded by land

- a. bay
- b. pond
- c. strait

3.

Part 2

Choose one of the bodies of water OR landforms that interests you. Write an informational paragraph about this physical feature. Begin your paragraph with the topic sentence "I have chosen to write about _____." Then include four supporting details about your chosen physical feature. It might be helpful to think about Who, What, Where and When to develop your supporting details.
