Individual Assessment of Personal Action Plan for the Arctic Region Convention

COMMON CORE SPEAKING AND LISTENING GOALS

- **Preparedness:** Come to discussions prepared, having read or researched material under study; draw on that preparation by referring to evidence on the topic, text, or issue and reflect on ideas under discussion.
- **Rules Setting:** Follow rules for discussions, track progress toward specific goals and deadlines, and define individual roles as needed.
- **Participation:** Pose questions that encourage elaboration and respond to others' questions and comments with relevant observations and ideas that bring the discussion back on topic as needed.
- **Acknowledgement:** Acknowledge new information expressed by others and, when warranted, modify their own views.
- **Analysis:** Analyze the main ideas and supporting details and explain how the ideas clarify a topic, text, or issue under study.
- **Evaluating:** Describe a speaker's argument and specific claims, evaluating the soundness of the reasoning and the relevance and sufficiency of the evidence.

MY ACTION PLAN

The Speaking and Listening target I worked on was:

I can explain that target as:

How I improved (or what I still need to work on) is:

I can apply this skill at school or in other activities (provide one or two examples below):
